

How to Install Front License Plate Brackets with Clips

Step 1: Clean† and apply supplied alcohol swabs to grill area where the tape will adhere to from the bracket.

Step 2: Pull tape liner off bracket, being sure not to touch or soil the tape before attaching to vehicle.

Step 3: Insert top of Bracket first into grill

Step 4: Push bottom clips into grill. The bottom clips are made with a ramp to help guide the clips into position.

Step 5: Press on the tape area to seat the tape onto the vehicle.
